

INSTALLMENT PAYMENT AUTHORIZATION

(Payment Plan Only)

If Client selects a **Payment Plan** option during registration, Client authorizes Casting Call, Inc. dba **JRP Virtual** to charge the payment method provided for installment payments in accordance with the payment schedule selected at checkout.

Client acknowledges and agrees to the following:

1. **Authorization to Charge**
Client authorizes JRP Virtual to charge the payment method on file for all installment payments associated with the selected program. This authorization remains valid for the duration of the installment payment plan.
2. **Automatic Installment Payments**
Installment payments will be processed automatically on the scheduled dates selected during registration. This is a customized installment plan to satisfy the total program tuition and is not a recurring subscription.
3. **Declined or Missed Payments**
In the event an installment payment is declined, Client authorizes JRP Virtual to reattempt the charge using the same payment method until the installment is successfully processed.
4. **Payment Responsibility**
Client is responsible for ensuring that the payment method on file remains valid and up to date throughout the installment period. Failure to maintain valid payment information does not relieve Client of financial responsibility under this Agreement.
5. **Suspension of Services for Non-Payment**
Failure to resolve a declined or missed payment may result in temporary suspension of classes, workshops, and services until the account is brought current. Client may not attend any class, workshop, or Agent or Manager Showcase while fees remain unpaid. No refund or tuition deduction will be provided due to missed attendance resulting from non-payment.
6. **Late Fees**
A **USD \$35 late fee** may be assessed for any installment payment that is declined or not received by the scheduled payment date.
7. **Processing Fees**
Payments made by credit card, Venmo, or Cash App include a **2% processing fee**, which may be incorporated into the installment plan total. Payments made via non-credit-card methods (such as Zelle or check) are not subject to this fee.
8. **Training and Showcase Eligibility**
Client may begin training only after a minimum of **50% of the total program tuition** has been paid.
Client may not participate in any **Agent or Manager Showcase** until **100% of the program tuition and all applicable fees** have been paid in full.
